

Sugarcane & Wheat straw tableware

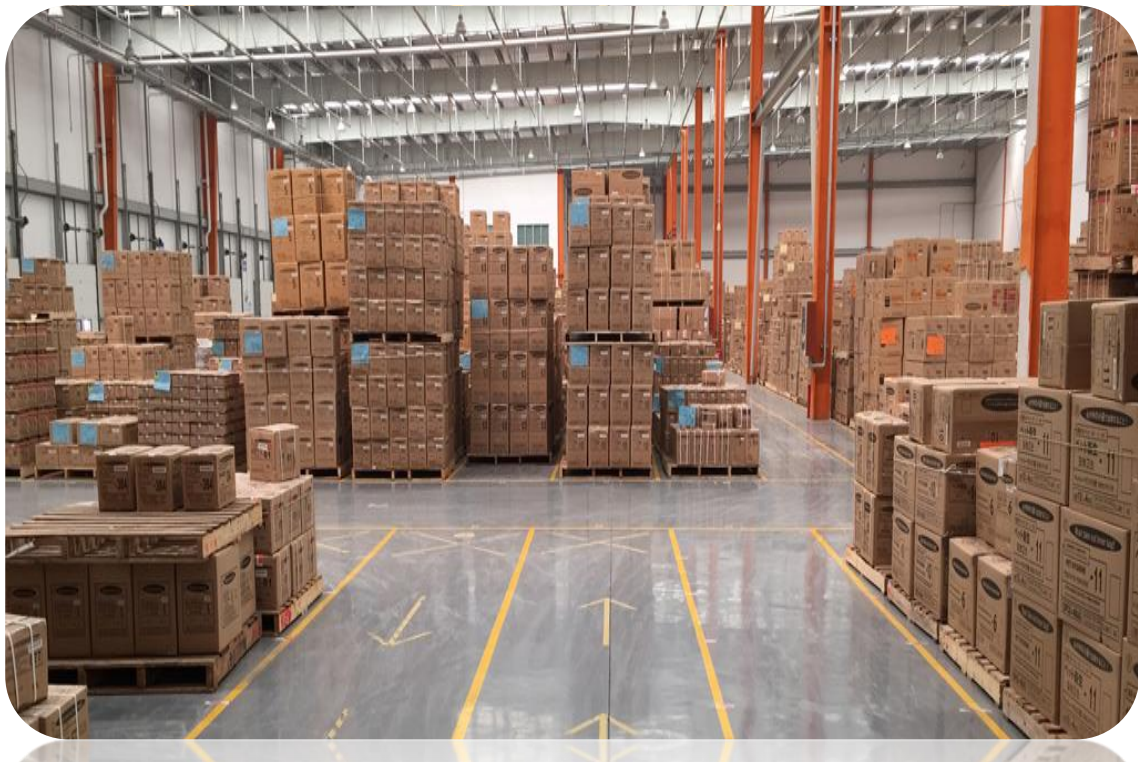

Plant and Warehouse

6 bagasse production lines
2 wheat straw production line

Inspection Room

New 4000 square meter warehouse

Certifications

Raw materials

Brown nature color products are made from wheat straw + bagasse:
We can do most of the round plates and food containers in brown, for details information please contact our sales people

White color products are made from 100% bagasse
We can make all our items in white color

Make Custom items

Custom Shape

Product Innovation and Differentiation will set your company far apart from competitors. Customized shapes provide solutions to unique food packaging challenges.

Tableware Embossment

Differentiate Your Product and Advertise Your Brand by adding a customized embossment to your tableware products.

Retail Package

We package Your Custom Designs onto your retail products. You can create an entire line of retail products that include tableware, paper cups and cutlery

Bulk Package

Custom Bulk Carton Packaging provides a great opportunity to advertise Your Brand while also providing critical product information to your customers. Create custom designs with up to 3 colors

Custom Printing

We can print on the bagasse products with soy based ink, up to 2 colors, only on smooth surface.

Bagass&Wheat straw

* “*”
If there is before the item code, means this mold can also made unbleach brown color

New Items

Raw Material: Sugarcane-bagasse and Wheat staw fiber

Product Characteristics:

- Water Resistant up to 100C/212F
- Oil Resistant up to 120C/212F
- Microwave and Freezer Safe

Certified:
